If 51–75 students compete, pay school fee of \$75

If 76 or more students compete, pay school fee of \$100

Total School Fee: \$ _____

INDIVIDUAL PARTICIPATION FEE:

In order to have a more equitable fee structure, MAACS has implemented a flat fee based upon an individual's participation. **All contestants will pay a \$5 fee for every category in which they participate.** For example, a student competing on the Elementary level in Bible Quizzing, English Test, Mathematics Test, Piano Solo, and Youth Choir would pay \$5 x 5 categories = \$25; a 9th grade student competing on the Junior High level in Band, Calligraphy, Watercolor, and Expository Preaching, and also competing on the Senior High level in Band and Choric Speaking would pay \$5 x 6 categories = \$30. Each member of every group category will be charged the \$5 individual participation fee. Schools can easily calculate the total number of individual participation fees by totaling the number of "X's" on all of the registration forms.

Total Individual Participation Fee: \$ _____

(Total number of participants in every category x \$5 each)

TOTAL FEES: (School Fee + Individual Participation Fees) \$ _____
